**Subject:** Former Westinghouse Facility, Rancho Dominguez, California  
**Attachments:** CBS EPA - Notice ofSelf-Implementing Cleanup - 3.20.2006.pdf

Carmen,

Pursuant to our telephone discussion last Friday, attached is a copy of a March 20, 2006 letter from CBS notifying USEPA Region 9 of its intent to conduct a self-implementing cleanup that addressed PCB-impacted exterior soils at the former Westinghouse facility in Rancho Dominguez, California. Please contact me if you have questions. Thanks.
